

## EGO Supported Phone List

### Important:

Most Bluetooth enabled mobile phones are compatible with EGO hands-free car kits.

This document only lists phones which are tested by Funkwerk.

[Please contact us if you don't find your phone on this list.](#)

All features are dependent on the software and hardware versions of the respective products.

Errors and omissions excepted.

Car Kit	Phone	Model	Hands-Free	A2DP	Phonebook	Call Log
EGO CUP	Apple	iPhone	Yes
